Re: Fields Brook

Dear Mr. Constantelos:

SCM Corporation is submitting herewith a series of documents, numbered 640 through 1527, in further response to the May 16, 1986 request for information. These documents pertain to Question 10. Further responses are being prepared. SCM has previously requested an extension of time until July 18 within which to complete its response.

A handwritten signature in cursive script that reads 'Douglas A. Towner'.
